

*Dear families, district employees, and community representatives,*

*NSSSED provides a wide variety of services, from professional consultation for member district staff to alternative school placements for students. NSSSED is developing a new strategic plan; as part of the process, we are looking for input from many groups. As an important NSSSED stakeholder, your opinions and experiences are valuable.*

*Please participate in the NSSSED strategic planning process by completing this survey:*

*<https://www.surveymonkey.com/r/NSSSED>*

*The survey is 32 questions and should take you approximately 10 minutes to complete. The survey is open from Tuesday, August 15 through Monday, September 4, 2017.*

*The survey data is an important component of the strategic planning process. Representative stakeholders across the districts and region, including parents and community members, will review this information along with other data components when they come together on September 14, 2017. If you have questions, please contact Peggy Miller at [pmiller@nssed.org](mailto:pmiller@nssed.org).*
