

Northern Suburban
Special Education District

Dear Parents/Guardians:

In preparation for the new school year, we have placed all our current health forms on the NCSSED website/health services page for your convenience. Below is a chart which describes what forms are needed for your child’s current grade in school. The forms required for your child’s grade for this school year will need to be returned no later than **August 15th**.

NCSSED has a two-page student Emergency/Health Card. **ALL STUDENTS REQUIRE AN EMERGENCY CARD.** Please complete the entire form either on-line or print and complete, sign and return the form no later than **August 15th**.

If medication is to be given at school, you will need to complete the Medication Administration form. The top portion of the Medication Administration Authorization Form is to be **completed and signed** by the prescribing physician. The parent needs to complete and sign the bottom portion.

Grade in school	Certificate of Child Health Exam Form	Dental Form	Eye Exam Form	Annual Health Inventory Form
Early Childhood Age 3-5	X			X
Kindergarten Age=5	X	X	X	X
2 nd Grade Age=7		X		X
6 th Grade Age=11	X	X		X
9 th Grade Age=14	X			X
All new students entering NCSSED for the first time	X	X		X

If you have any questions regarding required health forms, please feel free to call me at 847-831-5100, ext. 2239 or email at ithompson@nssed.org

We are looking forward to a safe and healthy school year.

Sincerely,

Ingrid Thompson, RN, BSN, IL/NCSN
Coordinator of Health Services
